Zoom Talk -13th April at 8pm "My Passion for Wildlife" by Kevin Pigney

Membership Details - Chris Hall our Membership Secretary wishes to politely remind you to send her any changes in your contact details eg e-mail, phone or postal address. kenil8870@aol.com or 07885180325

EAF March Bulletin East Anglian Association of Photographic Societies. As a club we are members of this Association which gives us access to wider opportunities such as competitions, workshops, exhibitions and lists of approved judges and speakers. Do have a look at this bulletin even if to view the excellent images. www.eaf.org.uk/documents/Bull-Mar-21.pdf

Lee Filters -Outreach Project -the Committee decided to join this project, at no cost, which offers access to all kinds of resources, discounts, technical support and talks. They now produce a system for smaller bodied cameras called Lee85 which Dave and I have purchased and are happy to show

you if interested. All members can receive 10 per cent discount on these filters with the code 10CCHADL by visiting <https://leefiltersdirect.com>

Their monthly Newsletter is attached separately.

Club Website - our webmaster Mo Coles has been working hard to make the website as user friendly and informative as possible. There will soon be more details/information about the club particularly for newer members. Although this is the hyperlink to the website <https://mocoles.wixsite.com/website-2> , you can still access it via the previous hadleighcameraclub.com and click on the re-direct box.

Any contributions to the May Newsletter would be most gratefully received before the last week of April.

Members might relate to these cartoons so hope they bring a smile.

Kindest wishes

Diana and the HCC Committee
