

HCC April 2022 Newsletter

Dear Members

We trust this finds you well and although we had a brief taste of spring weather, let's hope it decides to show its face again soon. We know that several of our members have serious health issues and they are in our thoughts and prayers at this time.

["Along the Inca Trail to the lost city of Machu Picchu" 19th April at 8pm](#)

[NB change of date due to Holy Week} A presentation by Stafford Steed at 8pm. To view more of Stafford's images, click on this link <https://www.staffordsteed.co.uk>

[Digital Competition](#) – the themes for the rest of this season are as listed below - Entries as usual direct to mocolles@btinternet.com by the 26th of each month and the longest side of the image to be 900 pixels. Please ask if you require help in resizing your images. It is encouraging to note an increase in members submitting into Entry Level so I would urge even more of you to take the plunge. Seriously, it is not painful and much can be learnt from participating in the process as well as supporting the club.
