

HCC July News Update 2021

Dear Members

Due to the extended Covid restrictions until 19th July we will be unable to resume our meetings as hoped on 13th July. However, optimistic as always, it is our intention to put this forward to August 12th.

Digital Competitions

This month's title is ~ "Nature's Way of Framing" and the idea is that the image is actually taken during July. We hope you will rise to this challenge and find some interesting subject matter maybe waiting there in your own garden? The remaining titles for this year are

July	Nature's Way of Framing
August	Shadows
September	Speed/Movement
October	Red
November	Windows
December	Chimneys

Entries as usual to alfbutler33@gmail.com Please would members make a point of checking their submissions have been posted on the website a few days after sending them to Alf. This will help to avoid any technical or human errors which can then be resolved before the end of the month and judging.

Lee Filters Project

There is a live talk on Zoom tonight 29th June at 7pm by one of Lee Filters Ambassadors, Paul Sanders, a well-respected fine art and landscape photographer with a unique style. The talk is titled “Visual Poetry” and I will attach the details and Zoom link separately. I apologize for this late notice but have been away in North Norfolk for a week enjoying the coastal scenery.

We do hope you will be able to enjoy some good summer weather and greater freedom to get out and about with your camera.

Kindest wishes

Diana and the HCC Committee
