

HCC Newsletter October 2022

Dear Members

It was encouraging to see many of you at our first meeting last month and hopefully we will see more members at our subsequent meets. A gentle reminder that subscriptions are due and can be paid by bank transfer, cash or cheque made out to Hadleigh Camera Club. Bank transfers can be made to **Account 44163062 Sort code 30-98-97** which you need to select as a business account and use your surname as the reference so that Karen can identify who has paid. It would also be helpful to know if you are not re-joining to avoid sending unwanted e-mails. Also, let Chris Hall our Membership Secretary know of any changes to your contact details. E-mail to Chris kenil8870@aol.com

[Print Competition 11th October @ 7.30pm Open Subject –Judge Robin Claydon](#)

Please send digital copies of your images to Phil from now until 8th October plstepney@aol.com so that members can benefit from an enlarged view. If you are too late for this deadline, prints may still be entered on the actual evening. The rules for all competitions can be accessed on our website <https://www.hadleighcameraclub.org> As previously, the competition will be judged at two levels, entry and experienced. If you are in doubt speak to Dave Hall.

[Digital Competitions](#) – entries as usual to mocolles@btinternet.com by 26th of each month. It was encouraging to see a greater number of entries for September in both levels. Results are duly sent out by e mail but also posted on the website together with the judge's comments which can be accessed by clicking on each image. Thanks to Mo for keeping our website updated.

Fungi Meet TBA- Laura is keeping a close eye out for fungi appearing in local woods but the long drought may have affected their growth. A firm date will be given as soon as the conditions seem favourable. Most likely dates at present look like 22nd or 29th October

8th November – Justin Minns – this promises to be an excellent evening by Justin who has written a book on “Photographing East Anglia” and won several prestigious awards for his landscape photography in this region. See <https://www.justinminns.co.uk> Members will be invited to bring a guest with free entry on that evening.

14th November 8pm -an invitation by Benfleet Camera Club to a presentation titled “Water” by Daniel Bridge at St.George’s Church Hall SS7 4DN Entry £3 -

If you are interested, please let Diana know as there is limited hall capacity. Daniel is a well-known, respected local professional photographer and several members have attended his workshops and speak highly of his knowledge and skills.

Water Photography Talk

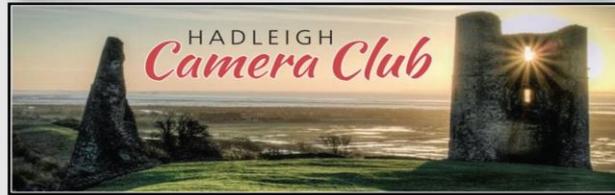

Daniel presents an illustrated talk on water in its many varied forms, from the liquid stuff at the seaside and in the rivers, to clouds, rain and rainbows, fog, ice, and more. There are also shots of wildlife associated with water, so something for everyone! Suitable for all kinds of clubs and groups, from camera clubs to Wildlife Trust Local Groups, U3A and WI groups, amongst others.

All things Photographic- you may have noticed that there are often photographic magazines, pieces of photographic equipment etc left on the table beside the club notice board. These are usually freely donated by kindly members but there is no reason why redundant equipment could be appropriately priced. If you wish to do this, attach a label stating the asking price and your name/contact. Alternatively send me a photo for inclusion in the Newsletter.

Club Poster – The Committee are keen to promote the club and attract new members and to that end, Laura has designed a new poster. If any members know of any locations where this could be displayed, please let me know and we can provide you with a jpeg version or an actual print. We have given some for the Castle Point community notice boards and HELIX a local events site.
